

INTRO TO FOX CHASING

Green horses & riders welcome!

Come learn all about riding to hounds and the art of Fox Chasing, from attire and etiquette to skills needed by horse and rider to ride across country.

If you've always wanted to try fox hunting, the Learn to Hunt clinic is a great start! Under the direction of the Huntsman and the Masters of the Marlborough Hunt club, participants will attend both mounted and unmounted sessions designed to introduce the basics of hunting, including etiquette in the field, proper attire and tack, and under saddle exercises that simulate hunt conditions.

Horses/riders of any age, any discipline who walk, trot, and canter with control welcome.
